ATTACHMENT A

On or about August 13, 2012, in Somerset County, in the District of New Jersey, and elsewhere, the defendant,

PATRICK T. DECK,

did knowingly possess material that contained at least three images of child pornography, as defined in Title 18, United States Code, Section 2256(8), which images were mailed, shipped, and transported using any means or facility of interstate and foreign commerce and in and affecting interstate and foreign commerce by any means, including by computer, and that were produced using materials that were mailed, shipped, and transported in and affecting interstate and foreign commerce by any means, including by computer.

In violation of Title 18, United States Code, Section 2252A(a)(5)(B).

ATTACHMENT B

I, David M. Fallon, a Special Agent with the Department of Homeland Security-Homeland Security Investigations ("DHS-HSI"), having conducted an investigation and discussed this matter with other law enforcement officers who have participated in this investigation, have knowledge of the following facts:

1. On or about August 13, 2013, local law enforcement officers executed a search warrant at a single family home in Watchung, Somerset County, New Jersey (the "Residence"). Defendant PATRICK T. DECK was the only resident of the Residence. Among the items seized at the Residence was an HP Pavilion Notebook laptop computer.

2. Law enforcement officers thereafter reviewed the contents of the HP Pavilion Notebook, which was found to contain images and videos of what appear to be child pornography as defined by Title 18, United States Code, Section 2256(8). Three of the files found on the HP Pavilion Notebook are described as follows:

FILENAME	DESCRIPTION
File name: J10.JPG	This image depicts a prepubescent naked male sitting holding his legs in the air exposing his genitals and anus. He is sitting on a light blue and white floral patterned sheet which is draped over what appears to be a chair. There is a two-tone wall behind him with beige on the top and light green on the bottom. In the top left corner in red letters is "Mr. Wolf 2000 [C]."
File name: J13.JPG	This image depicts a prepubescent naked male kneeling with his buttocks towards the camera as he faces away. The boy is spreading his buttocks to expose his anus with his hands. He is on a light blue and white floral patterned sheet which is draped over what appears to be a chair. A pair of blue jeans with a black belt can be seen on the right side of the picture hanging from the wall. There is a two tone wall behind him with beige on the top and light green on the bottom. In the top left corner in red letters is "Mr. Wolf 2000 [C]."

FILENAME	DESCRIPTION
File name: 017.JPG	This image depicts a prepubescent male wearing a brown hat, a brown leather jacket, and brown leather boots but is nude from the waist down. He is standing with his buttocks towards the camera as he is bending over and peering back at the camera through his legs. The boy's genitals and anus are exposed. He appears to be standing on a white sheet. In the top right corner of the picture is another smaller picture of a nude prepubescent male wearing only a black beret. Written in blue letters on the picture is "WWW.ukrainian-boys.com"

3. Based upon my education, training and experience, and my discussions with other law enforcement officers, and to the best of my knowledge, the images described in paragraph two were produced using materials that were mailed, shipped, and transported in and affecting interstate and foreign commerce by any means, including by computer, that is, the images were downloaded from the Internet, based upon, among other things, their location on the laptop. Further, based on my review of the images, as well as my education, training, and experience, the images depict real children under the age of 18.
